

ROLLYCOLD

Fresh dishes and drinks always at hand with Rollycold, the refrigerated trolley included in the new BeOut range.

Thanks to its ergonomic design and compact dimensions you can easily move it and choose every day a different location according to your needs, both inside or outside your bar.

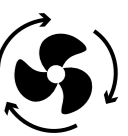

Different kind of accessories, from bottles shelves to drawers on telescopic guides or Gastronorm trays, make the internal configuration fully customizable.

Furthermore, the MyBox version, equipped with drawers with key lock, is ideal to ensure maximum safety and hygiene.

ROLLYCOLD MyBox
